Singapore American School does not itself provide bus service for its students. This service is provided by external bus contractor. The School acts in a liaison role making the necessary arrangements with the bus contractor on behalf of the parents and serves as a "clearing house" for questions and concerns in relation to the bus service.

**To: Singapore American School Limited
c/o Transport Office
40 Woodlands Street 41, Singapore 738547**

In consideration of you, Singapore American School Limited (Reg No.:196400340R), a company registered under the Companies Act and having its registered office at 40 Woodlands Street 41, Singapore 738547 (hereinafter referred to as the “School”) arranging transportation on my behalf for the child/children named overleaf to be conveyed to and/or from school by means of a bus transport system provided by an independent contractor known as YEAP TRANSPORT PTE. LTD. (hereinafter referred to as the “Contractor”) and which appointment I do hereby acknowledge and approve. I do hereby agree as follows:

1. I understand that in consideration of the Contractor and Bus Owners (“Bus Owners” means all owners of buses engaged by the Contractor and whose buses are supplied in the operation of the bus transport service for the students of the Singapore American School) providing a bus transport service for my child/children in accordance with the conditions and bus rules (enclosed herewith) defined and agreed by the School on my behalf, I will pay the contractor for the bus transport service at the beginning of each semester at the prescribed rates and I will be bound by the conditions and bus rules defined and agreed to by the School on my behalf.
2. I understand that my child/children is/are conveyed to and/or from school at my own risk and not at the risk of the School, which is acting in a liaison role between the Contractor and parents. I agree that the School shall not be liable or be responsible for any accident or personal injury sustained or suffered by my child/children or for my child’s death or for any damage or loss to my child’s personal belongings, however caused, whilst my child/children is/are being conveyed, or is/are waiting to be conveyed, to and/or from school. I hereby release the School from any and all claims, demands, damages, costs, actions or causes of action on account of or arising from any of the foregoing matters, including such action that may be taken by the School subsequent to any accident or incident in which personal injury, death, loss or damage has occurred.
3. In the event of any emergency, I do hereby authorize the School and/or the Contractor to arrange such medical attention for my child/children as may be reasonable and available in the circumstances and I undertake to pay all medical and hospital fees and incidental charges in respect of medical attention given to my child/children and to reimburse the School and/or the Contractor for any such fees and charges and all incidental costs and expenses which may have been paid by the School and/or the Contractor.
4. I fully understand that if I should board any of the buses under the said transport service there shall not be any insurance coverage for myself, and the School and/or the Contractor shall not be held liable in any way whatsoever.
5. I further agree to indemnify the School against any and all claims, demands, damages, costs, actions or causes of action which my child/children, his/her next-of-kin, parent, guardian, personal representatives and/or dependents may bring, make or have against the School on account of any matters above.
6. Reference herein to the School shall include references to the School, its officers, and office bearers, employees, agents and other persons authorized by the School from time to time; but shall not include the Contractor and/or Bus Owners or their officers, employees, agents or others authorized to act on their behalf.
7. Nothing in the above document shall limit the rights of any child/children, next-of-kin, parent or guardian, personal representative and/or dependents from taking action against any third party (with the exception of the School) including but not limited to the Contractor, Bus Owners or their officers, employees, agents or other persons authorized to act on their behalf.

Terms and Conditions

For Parents

<https://www.youtube.com/watch?v=Z1koGYV4W8U&feature=youtu.be>
3. The bus drivers and attendants are not trained medical personnel. SAS Health Services Division shall provide all relevant medical information to the contractor so that the bus crew is informed of children with pre-existing medical conditions. In the event of a medical emergency, the bus crew will call for an ambulance and inform the Bus Office Duty Manager and school as soon as possible. In the event that the bus is unable to proceed with its route, a replacement bus will be sent and all families will be informed via SMS messages. The children may be brought home using both the original & replacement buses if necessary. All delays will be communicated using the SMS system to ensure that the affected families are informed.
4. Parents of Pre-School/Pre-Kindergarten and Elementary School students are requested to ensure that an adult meets the bus on arrival home from school. **Students whom are not met will be taken to the Transport Office at School to await collection.**
5. Parents should deal only with the Transport Office (6:30a.m. to 5:00p.m. Tel: 6360-6770 / Fax: 6363-8501 / Email: SAS@yeaptpt.com) or the school administration and not directly with the driver or attendant. You can reach a Senior Operations Manager between 5pm and 8pm or during school holidays at 9296-6189.
6. Pre-school and Pre-kindergarten students must be seated in the first few rows of seats on the bus.
7. **Students will be dropped off ONLY at the School, their own home or the designated after-school activity bus drop-off point.** NO PROVISION CAN BE MADE FOR A STUDENT TAKING A FRIEND HOME WHO NORMALLY TRAVELS ON ANOTHER BUS OR BY CAR.
8. Students may occasionally be moved from one bus to another to accommodate changes in pick-up areas. Bus route and timing is subject to change during the school year. Parents will be informed of the new bus numbers, pick up and drop off times before the new schedules are implemented.
9. Only students of the school can be carried by prior arrangement. Kindergarten, Pre-Kindergarten and Pre-School students must carry their Identity Tags issued by the Transport Office at all times.
10. Students who wish to use one-way transportation will be accommodated only if there is availability. Preference will be given to children using two-way services.
11. Students residing on roads with dead-ends or on narrow lanes must walk to the pick-up points designated by the Transport Coordinators. Students residing in condominiums/houses will wait for their buses outside the security guardhouse/main gate. Students may be required to board the school bus from across the street where the route requires the bus to travel in the opposite direction.
12. A student's place on the relevant bus will be allocated only if the required form and waiver have been completed, signed and returned to the Transport Office.
13. A female bus attendant is assigned to travel on each bus.
14. Parents are **NOT** permitted to ride on the school buses.
15. If you intend to permit your children to be drop-off without supervision, the Transport Office must obtain a Letter of Permission which must be duly signed and returned through email.
16. If your child is not using the bus at any time for whatever reason, the Transport Office must be advised. Failure to notify may result in the child being put on the bus and taken home as usual. If the child is sick, please also advise the Transport Office, so that the bus is not delayed unnecessarily.

17. It is the objective of the Contractor to plan routes with times of not more than 55 minutes for the regular school bus routes. However, route times are permitted to be more than 55 minutes subject to the approval of the School in order to cater to areas further away from the school and where there is low demand for the school bus services, etc. The regular school buses arrive at the campus between 7:20am and 7:55am in the morning and depart from the campus between 3:15pm and 3:20pm in the afternoon.
18. The school bus office Duty Manager will instruct the bus to **depart 1-minute** after the scheduled morning pick-up time. If drivers are continuously kept waiting by certain children, then a report will be made to the Transport Coordinators. If the situation continues, parents may be asked by the Transport Coordinators to make alternative arrangements.
19. If buses fail to turn up within 15 minutes of the scheduled pick-up time, other than due to heavy rain or flooding, parents may claim taxi fare from the transportation office by submitting a written claim. Claims must be submitted within 14 days of the incident.
20. You agree to receive information regarding products and services from Yeap Transport and their partners.
21. The school bus insurance will only cover for any injuries, costs of damages whilst the child/ren are still onboard the school bus. Parent and/or guardian are responsible for the safety and well-being of the child/ren at the designated drop-off point.
22. Parent/guardian of Elementary riders must be present to receive child/ren at the designated drop-off point. Student will be returned to the campus if there is no one to receive the child/ren.

Activity Bus Information

23. Activity Bus service serves designated point-to-point drop-off. **Additional drop-off points cannot be added or removed at this juncture due to the limited number of buses that can return back to the campus by 4:40pm.**
24. Two dismissal times are available for activity bus: **4.40pm and 6.15pm.**
25. The buses deployed as activity buses will change daily, unlike the regular 3.00pm buses. When an activity bus is full, another bus will be activated to cater to the remaining riders. Please advise your child/ren to approach the duty manager at the bus bay if there are any concerns.
26. Upon boarding, **riders must produce their SAS Student card for scanning.** The bus attendant may also record the student ID number manually (SAS student card) onto an attendance list. Riders whom forget to bring their SAS student card must report to the School Bus Office for a permission slip to ride the activity bus.
27. **Kindergarten to Grade 2:** Registration is only available at the Eagle Activities and Athletics office. Riders are allowed on the **4.40pm ASA bus only** and parents can select only **ONE drop-off point**. Parents need not inform the bus office of their children's activities enrolled with the school. A SAS Instructional Assistant (IA) is available on the activity bus used to serve K to Grade 2 students. The IA's role is to ensure the rider board the correct bus and there is someone to receive the rider at the designated drop-off point.
28. **Grade 3 to Grade 12:** Registration can be arranged through email at sas@yeaptpt.com, phone-call: 6360-6770 or walk-in at The Eagle Stop – Transport office. **Riders are allowed to board on both 4.40pm and 6.15pm ASA bus.** As the riders have a wide selection of designated drop-off points, **parents must be aware of their child/ren selected drop-off point as the bus crew will not stop Grade 3 to Grade 12 riders from disembarking at any of the drop-off points.**
29. After-School Activities (ASA) bus fees for **Kindergarten to Grade 2** students are payable on a per **season basis**. Students between **grade 3 and 12** can choose to pay on a per **season or semester basis (refer to Pg 7 for fees payable)**. Parents need to cancel the ASA bus service 2 weeks before the start of the new season or semester. You will be billed for the next season or semester automatically during the academic year unless you withdraw from the service in writing via email at sas@yeaptpt.com. **Please note that the ASA bus fare cannot be pro-rated.**

AREAS CURRENTLY SERVED BY THE SCHOOL BUS
IMPORTANT NOTE (Comprehensive information can be found in YEAP Transport FAQ)

- The earliest pick-up time is currently **6.25am** and drop-off time is as late as **4.30pm** due to distance from campus and low demand in the areas
- **Morning Buses arrive at the Elementary School compound between 7.25am to 7.50am**
- **During dismissal in the afternoon, buses depart from respective compound between 1.30pm (PS & PK) and 3.15pm (K to G12)**
- **Bus journey duration for regular areas is between 35 -55 minutes but can be later for families residing in Sentosa, South, West and East region**
- **There is no First-In-First-Out or Last-In-Last-Out in practice. Singapore roads are not bi-directional, road for travel to and from school may be different**
- **Considering journey time, our buses are not able to provide 'doorstep-service'. Certain condominiums and private housing have narrow roads that prevent larger bus size to enter. Hence, Pick-up & Drop-off is along the street beside the Condominium Guardhouse.**
- **Do note that buses are constrained to travel at a speed limit of 60km/h and below and must stay on the leftmost lane, a regulation by LTA (Land Transport Authority of Singapore). Thus, there is no equitable comparison with cars nor taxis**

FAQ on the use of Small Buses

* For a comprehensive list of FAQ, you can obtain a copy of the Bus Transportation Guide at the school's website and www.yeaptpt.com.

Q1: What determines the use of small buses?

A1: Small buses are assigned to routes to address one or more of the following challenges:

- 1) Narrow lanes, probability is higher if you are residing in a landed property
- 2) Low density areas where demand for the service is low
- 3) Areas further from the school; aim is to minimize the journey time
- 4) Special needs students, e.g. student who has difficulty with steps

Q2: Can I request a small bus to serve my route?

A2: A request for a small bus is subject to the following conditions:

- 1) There must be sufficient numbers of students before a new route can be considered
- 2) Availability of additional small buses can be an issue due to the limited supply
- 3) The journey time is capped at 55 mins unless the route serves low density areas or areas further from school
- 4) We reserve the right to refuse the creation of a new route if the new route would have a negative effect on existing one

Q3: Can I request that my child to ride on a large bus?

A3: Yes, subject to seat availability on the other bus, you may request that your child ride on a large bus. However, you may need to walk or drive your child to the nearest pick-up point assigned to the families who are riding that large bus.

Q4: My child rides a large bus to school and a small bus home from school. How is the bus fare calculated?

A4: You will pay half the fare for both the large and small bus. (e.g. a student residing under 2km from school will pay $(\$889.59 + \$970.88)/2 = \$930.24$)

Q5: How is the regular bus fare calculated if I move to a different address during the semester?

A5: The regular bus fare is prorated according to the number of weeks you will be using the different buses, e.g. there are 20 weeks in the semester and you moved in on week 9, you will pay 9 weeks for the old address and 11 weeks for the new address.
